SCI Community! Channel your inner artist with an open paint class!

Don't worry, we'll have artists on-hand to help lead you to your masterpiece.

Valir Rehabilitation Hospital is looking to the Spinal Cord Injury community to help provide inspiration, in the form of art, to the patients of our newly renovated SCI wing. The top 5 paintings will be selected to adorn the walls of Valir's patient rooms, along with the artist name and short biography.

This event is free to individuals with a spinal cord injury. Accommodations and adaptive tools will be available, including transportation to and from event within the Oklahoma City metro, if needed (limited availability).
